

THE REYES FAMILY

Baby Shower

Last month was exciting! A faithful family in our church has been expecting a baby boy, so our church hosted its first Baby Shower. There was a great turnout with 11 ladies (+ 5 babies/children in the nursery). The only problem with having a ladies activity, is the nursery. I ended up doing a program with the children while the ladies enjoyed the activity. Afterwards I was able to enjoy the leftovers!

Two Boys Saved

I was amazed with Sandra. Even though she hardly had enough strength to get out of bed (she had gone through a miscarriage) she was able to organize and execute things. She has been weak for the entire month, but has been slowly getting her strength back. Please continue to pray for her.

Family Arriving

We rejoiced this last month to see 3 new members added to the church. Also there were 16 salvations (3 in church and 13 out soul-winning), 6 visitors, and a total of 43 different people that came to our church. We will soon be starting Sunday School and be able to have another draw for people to come to church. Please pray that they take advantage of the opportunity.

New Member

We have been struggling with baptizing due to the change of temperature. In the summer, several people chose to follow the Lord in Believer's Baptism, but with the coming of winter people have not wanted to have an out-door, non-heated baptism. This has proven to be a major bump in the road because there are several people that want to join as members, but cannot because there is not a suitable baptistery. Please pray that we will be able to buy a baptistery that we can install heating. There are large, fiberglass water-tanks that would work perfectly, but they are a little expensive.

Josiah Preaching

We are constantly rejoicing to see God bringing new converts into the church. One man and his family have shown particular interest this month. He is a key in the community because of his job and hobbies (Karate / Hunting Wild Boar). He, his wife, and their 2 daughters have received Christ and are waiting to be able to be baptized.

We would like to take a moment to thank all of you who have been supporting us. Last year we experienced a shortage of funds during the Christmas season, but this year the months surrounding the holidays were the highest for us. With the start of the new church during this period, it was a great blessing to be able to buy the things that we needed at the time. We know the support we receive is not only a sacrifice to the members that give, but also to your church. God has constantly provided for our necessities even during the times we have not received our regular funds. Since the month of February our support has been lower then normal. We want to thank you who have been giving and praying faithfully. Our ministry would not be possible without your help. May God bless you in your efforts to serve Him in your corner of the world.
