

# THE REYES FAMILY

Family Day

It seems things have happened so fast here that we are trying to make up for lost time. September has been a whirlwind with many things going on each week. Saturday the 1st I preached at a teen conference on Purity and the Power of Words. It was a long day but there was a good turnout and decisions made.

Big Day Jr. Church

Sunday the 2nd was our first big day. It went great, although Satan did attack. My cell phone was stolen the day before, the government chose that Sunday to have time change just the Wednesday before, my camera battery completely died, our gas ran out as we were cooking the hot dogs, but despite all this we had 45 in attendance, 14 visitors, and 11 Saved! The Church also voted that night to take on Luis Saez (a national Chilean) as pastor. We are making plans for his ordination on November 4th, the day of the Church's 1st Anniversary.

Big Day Hotdogs

As soon as our big day ended we began preparing for the Independence Day celebration. We called it "Family Day" There were lots of food and games. We had Chilean empanadas are filled with onions and ground beef, part of an egg and one olive. We also had a form of a shish kabob and Bar-B-Que rabbit. "Good Eating."

Sandra & Visitor

As things are changing in the church we thought it best to move homes. We took the last week of the month to move Luis' family into the church and ours into a new home. We had a Marriage Reunion, which was a lot of fun. We also had the privilege to host Kyle and Annie Sheraton, new missionaries heading down to Coniqui, the very end of Chile. It was a blessing to us to have them and to hear them sing in the church.

Marriage Conference Games

We are extremely happy at how things are going here. The church is doing great with Luis taking the hold of the majority of the church responsibilities. We only lack a few things, (song books being on the top of our list) for our church to be complete. Sandra found a great deal (\$8 a book) and a company that will ship here for free. Also, we would like to have some resources supplied for the church to have a "mini library" with some good Spanish music and a few books. It would be great to have some sort of vehicle for the church to have a bus route, with it being nearly freezing 9 months out of the year with heavy rain, it is hard to get people to church without some sort of transportation.

We could like to honor Luis on his Night of ordination, it would be great to get him a suit, or even a shirt and tie, but as for now we are planning to get him a study Bible and a Soulwinner's New Testament.

We would greatly appreciate your prayers regarding the needs of the church. We want to make sure that when we leave this place it will be fully prepared and will not lack so they can focus on soul winning and growing spiritually. If any one feels led of God to help with any one of these needs or have a good resource for Spanish materials or ministry help, please contact us a [stevereyesfamily@gmail.com](mailto:stevereyesfamily@gmail.com). Thank you for your faithful support that has brought us this far. In just this month we had 22 visitors and 27 saved, Praise God for what is being done here in Chile, through your financial help!
